

Tony & Laurie

- Pray for God's provision of support (prayer and financial), as they travel to visit or meet locally with possible supporters & churches.

Chuck and Maggie Guill

- Pray for those affected by the devastating flood in Manilla. Five EFC churches badly affected. Pray for the salvation of those whom God has prepared. Openness for the Body of Christ to respond. Opportunities to show and share transformational love. Resources to meet the incredible needs. Finances to meet short and long term needs.

- Our June Youth Missions team is pictured in their latest newsletter posted on mission's board in foyer.

Butch Derosier

- Ministry praise notes: Billy Hobbs (his story in Butch's last newsletter) is doing real well now. After being born again and coming to a place where he recognized he couldn't make it on his own anymore, God answers prayer, he is now gaining in better health physically & spiritually. Butch's health has been better since moving to a dryer climate, keeps his asthma at bay. Deepening of relationship between him and the church people.

- Prayer needs: Someone has been using his credit card # in the Dallas area. So far, he's changed numbers and won't have to pay any of the charges. The transmission in his van is ready to die, has been using his motorcycle unless it's raining, cold, or needs to haul something big. Always a challenge to keep drawing close to the Lord.

Mark & Glee Williams (Haiti) They ask prayer for the following:

- Glee and son, Marc, will touch students for God's Kingdom as they minister as teachers and mentors. Glee teaches World History and Comparative Government at the local Christian school. Her vision of opportunity as a teacher is to show students how God is involved in our history, and that He wants us to draw to Him. Marc is teaching 5 classes in math at the same school. His vision of opportunity is to spiritually challenge and mentor kids.

- Pray for Mark's witness and relationship to the United Nations aviators, that he will be "salt and light" And they would come to know Christ.

- The safety of the MAF program in Haiti. For God's continued protection – haven't had any accidents in 23 years.

- For God's provision of ministry support level – it is down over \$1,400 a month.

Mark and Athlee Bowman

- They are looking forward to a one month home assignment in Minnesota in November. Elizabeth Higdon recently returned to work with them for eight months, she is teaching English and doing counter work at Co-En Café. Mika & Masumi have recently begun sharing café management duties. Pray for the three of them as they take charge during Mark & Athlee's absence.

- They ask prayer for the following people: Daisuke – going through some difficult emotional issues, pray for Mark as he seeks to help him. Kazumi – has visited the café and attended worship, wants to learn more about Christianity. Akiko – cares for ailing parents, has attended worship, but hasn't been around lately, she's been reading the Bible and Bible-related books. Pray for strength and peace.

- They ask prayer for daughter & son-in-law, Sarah and Peter & family who serve in Russia but are in the USA for a time right now. Their team members in Russia are experiencing discouragements and problems, pray for God's guidance and for strength.

Jack & Beth Thompson (EFCA missionaries to Hungary)

- Beth began English language learning classes with 11 middle school students on August 21. Her students are from 6 language backgrounds, and 7 countries. Pray for 2 new students from Taiwan. They arrived in Hungary 9 days before school started, they are overwhelmed with new experiences. Beth learned they have no idea what the Bible is.

- Pray for Jack as he picks up some added responsibilities in keeping the mission office while a colleague goes on home assignment to care for a sick daughter.
